

Egg Carton Dump Truck

This Dump Truck lifts up.....

...and up!

## Materials needed.

- empty egg carton
- scissors
- marker
- glue
- clothes pin or clips

Cut or pull apart the egg carton in half.

This is the base of the dump truck.

Pull apart the end of the other half of the carton

Save the end piece.

On the first half, glue the edge here.

Use clothes pins or clips to hold while it dries.

Place the small piece on top of glue.

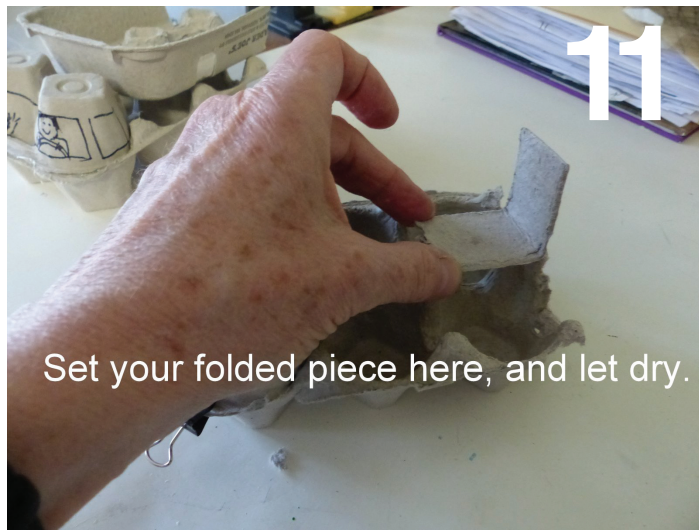

Cut a rectangular piece of the egg carton top.

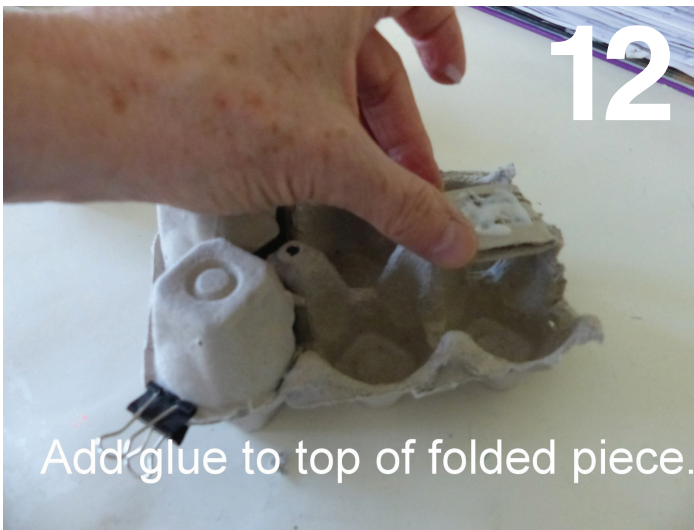

Bend the piece in half.

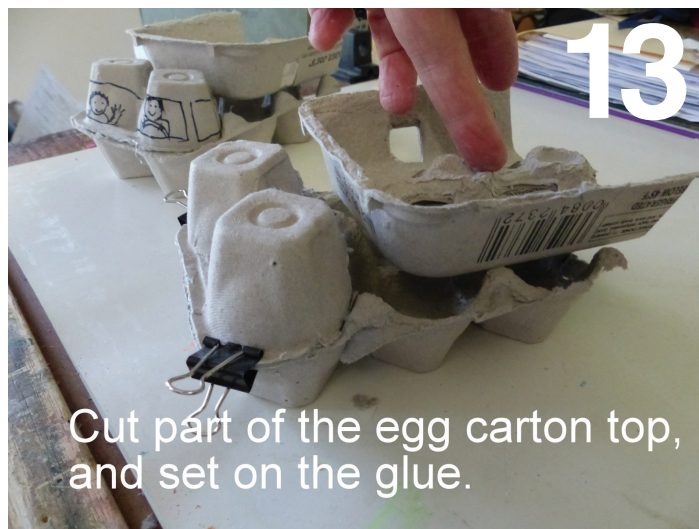

Glue the nobs on the back of your truck.

Set your folded piece here, and let dry.

Add glue to top of folded piece.

Cut part of the egg carton top, and set on the glue.

Take off your clips.

Add wheels!

Dump Truck!

And drivers!

And a load for your truck!

Have fun, my friends!
